Improper installations or any unguided product hampering is not a responsibility of Company.

It is the responsibility of the buyer to ensure the fitness of hardware for the intended purpose. We recommend assessment by appropriate testing in the application and by technical enquiry to our representatives or by understanding the manual provided with the product. Products may be sharp edged or blunt and heavy. Please handle with proper handling techniques and please keep all products away from the reach of children during or before installation. Keep the products in good condition and avoid contact with chemicals, water, paste, dirt and abuse to increase the life of the product. Finishes treated with protective coatings quickly deteriorate if the surface is broken. To prolong the life and maintain the original beauty of the material and the finish, it is important to avoid the use of paint removing solvents, acids, ambro tapes or other strong caustic cleaning solutions. Before painting doors, frames & woodwork. All hardware items should be removed and reinstalled after the paint is dry.

## **10- RETURNED GOODS**

Company will not accept any return goods under any circumstances except manufacturing defects or warehouse mistakes. Customer has up to 6 Months from the date of invoice to return the goods in this case and all goods must be returned in original packaging and be in resalable condition, i.e. unaltered and non-degraded condition along with prior approval. Transportation charges of returned goods must be prepaid by the customer. Product not returned in saleable condition or after 6 Month of issue date is subject to disposal by Company with no credit issued.
